Kayumari is a large, secluded, 365 acre expanse of titled, jungle paradise towering over San Pancho. Located in the lush, tropical mountainside immediately outside of San Pancho (San Francisco), this large parcel consists of 14 hectares of privacy. Lote Kayumari consists of rolling hills and expansive 360 degrees of unobstructed lush jungle, and distant ocean views. This is a nature lovers paradise, surrounded by large mature trees and lush green landscape in every direction. Adding to the tranquil, serene ambience are the sounds of many bird calls & songs...
