This exceptional real estate is nestled in the hills of Agua Azul neighborhood, overlooking Puerto Vallarta and the Bay of Banderas. It is part of a 3 villa complex and is designed so that there is complete privacy from each other. There is a 4-car common garage, and access to the villas can be done by stairs or its funicular. Villa Valentina has its own good size pool, which flows out from an open-plan living area. The Cantera flooring adds a unique feeling. At the moment, Villa Valentina features... [more](#)
